The cell provides a platform for the students to pursue entrepreneurial activities and also provide assistance to potential entrepreneurs. With the prime goal of developing responsible innovators out of engineers, the EDC strives to assist every aspiring entrepreneur on every single step. The cell plans to organise various activities regarding entrepreneurship development such as workshops addressed by industry personals, Industrial visits for students, etc. to encourage the students to start their own startups.

Objectives

1. To promote knowledge based and innovation driven start-up ventures.
2. To facilitate self-employment opportunities through entrepreneurship development.
3. To create, foster and promote the spirit of entrepreneurship among the students.
4. To conduct training programs in the field of entrepreneurship development.
