**Subject: - Request for permission to visit your science park.**

Dear Sir,

We are known as Navsahyadri Education Society's Group of institution, Faculty of Engineering which was started from 2010-11. We offer different courses for UG level in few areas of engineering (Mech., Comp, Civil, E&TC, and Elect.).

With reference to above subject, as per the curriculum of Savitribai Phule Pune University, our **First Year Engineering** students are required to visit your organization as a part of their syllabus and to enhance their practical knowledge. In this respect we would request you to kindly permit our students to visit your organization on **25<sup>th</sup> & 26<sup>th</sup> October 2023**. A communication in this regard will be highly solicited. There are total **340** students who will be accompanied by **10** staff member. Around 200 students accompanied by 10 staff member on 25<sup>th</sup> October 2023 and 140 students accompanied by 10 staff member on 26<sup>th</sup> October 2023.

We request you to kindly accord the necessary permission for the above visit and arrange few staff for guiding the students. We assure our student will follow the rules and regulation that are prescribed by your company for the visitor.

We shall be grateful for a favorable response.

Thanking You

### ACTIVITY REPORT

DEPARTMENT OF FIRST YEAR ENGINEERING

Title of Activity:	Industrial Visit Of Systems in Mechanical Engineering Subject		
Activity:	"Industrial Visit".		
Venue:	"Science Park, Pimpri Chinchwad".		
Academic Year:	2023-24		
Date:	25 <sup>th</sup> & 26 <sup>th</sup> October 2023		
Coordinators:	Prof. Z. K. Shaikh, Prof.S.A. Chaudhari, Prof. J.P. Hagar		
Target audience:	All First Year Engineering Students		
Total Number of Students Participated:	340		
Duration of Course:	Two Day (09:30 AM to 4:30 PM)		
Faculties for visit:	Prof. SV Kulkarni, Prof. ZK shaikh, Prof. JP Hagar, Prof. SA Chaudhuri, Prof. SD Babar,	Prof. BS Shukla, Prof. CV Gharge, Prof. PR Khopade, Prof. YH Pokale, Prof. PS Shingate,	Prof. PS Mule, Prof. P. Dhaigude, Prof. PD Hundare, Prof. MJ Godse, Mr. Walhekar (Peon)

❖ **Objectives:**  
The following are the objectives of visit:

- To identify the sources of energy and their conversions
- To understanding the specifications of vehicles
- To get acquainted with vehicle systems
- To demonstrate power transmission system in the vehicle
- To demonstrate vehicle systems (Automobile Chassis, steering system, Suspension system, Braking System)
- To demonstrate energy conversion devices

❖ **Outcome of Activity:**  
On completion of visit, students are able to:

- Describe and compare the conventional and non conventional energy source
- List down the types of road vehicles and their specification
- Illustrate various basic parts and transmission systems of the road vehicle
- Understand construction details and working of steering system, Suspension system, Braking System

**Activity Description:**  
This Visit is organized for All First Year Engineering students of Navsahyadri Faculty of Engineering. Visit motivated the students to know about Vehicle Specification and its System.

**Feedback:**  
All students are happy about the Visit content. They feel Confident about automobile.

### ACTIVITY REPORT – ON Power BI Workshop

**Date** : 5<sup>th</sup> April 2024  
**Time** : 9.00 AM – 5.00 PM  
**Venue** : Navsahyadri Group of Institutions, College campus  
**Attendee** : Computer Departmental all Students.

**Details :**

- o On 5<sup>th</sup> April 2024, the Computer Department of Navsahyadri Group of Institutions organized a **“Power BI Workshop”**. Our guest is Tanvi Gadgi Mam.
- Key Topics Covered:
  - Power BI is a collection of software services, apps, and connectors that work together to turn your unrelated sources of data into coherent, visually immersive, and interactive insights. Your data might be an Excel spreadsheet, or a collection of cloud-based and on-premises hybrid data warehouses. Power BI lets you easily connect to your data sources, visualize and discover what's important, and share that with anyone or everyone you want.
  - In this workshop we covered all introductory part of Power BI

## ACTIVITY REPORT

**1. Title of Activity:** Guest lecture on HEC-RAS & its Application

**2. Event Coordinator:** Prof. P.C.Shivtare

**3. No. of members participated : 10**

**4. Date & venue:** 12/11/2023, NGI, Naigaon, Pune

**5. Outcomes of activity:**

The guest lecture on HEC-RAS and its applications resulted in participants gaining a deeper understanding of the software's hydraulic modeling capabilities and practical skills for real-world applications, such as flood risk management and river engineering. Attendees learned to set up models, run simulations, and interpret results, enhancing their problem-solving abilities and efficiency. The session also facilitated networking opportunities, fostering potential collaborations among professionals and experts in the field.

**6. Description of activity:**

Guest lecture on HEC-RAS & its Application by Mr. D. B. Saruk was organised by the Department of Civil under the Flagship and Guidance of Dr.M.V.Dalvi, Principal, NGI, FOE. The guest lecture on HEC-RAS and its applications provided an in-depth overview of the software's capabilities in hydraulic modeling and floodplain analysis. Participants learned practical skills for setting up and running simulations, interpreting results, and applying the software to real-world scenarios such as flood risk management and river engineering. The session also offered opportunities for networking and professional collaboration.

**7. Activity Experience**

The participants felt that the delivery and presentation of the resource person was good and the seminar brought practical knowledge of the subject to them. They also felt that the lecture was coordinated very well and such guest lectures should be arranged regularly.

### ACTIVITY REPORT – ON SQL Workshop

**Date** : 8 & 9<sup>th</sup> October 2022  
**Time** : 9.00 AM – 5.00 PM  
**Venue** : Navsahyadri Group of Institutions, College campus  
**Attendee** : Computer Departmental all Students.

**Details :**

On 8 & 9<sup>th</sup> January 2021, the Computer Department of Navsahyadri Group of Institutions organized a “**SQL Workshop**” Our guest is Dr.S.N.Gujar

- Key Topics Covered:
- SQL stands for Structured Query Language. SQL is a computer language used to interact with relational database systems. SQL is a tool for organizing, managing, and retrieving archived data from a computer database.
- When data needs to be retrieved from a database, SQL is used to make the request. The DBMS processes the SQL query retrieves the requested data and returns it to us. Rather, SQL statements describe how a collection of data should be organized or what data should be extracted or added to the database.
- In common usage, SQL encompasses **DDL** and **DML** commands for **CREATE**, **UPDATE**, **MODIFY**, or other operations on database structure.

In this workshop we covered all introductory part of SQL

### ACTIVITY REPORT – ON Exel Workshop

**Date** : 8 &9<sup>th</sup> January 2021  
**Time** : 9.00 AM – 5.00 PM  
**Venue** :Navsahyadri Group of Institutions, College campus  
**Attendee** : Computer Departmental all Students.

**Details :**

On 8 &9<sup>th</sup> January 2021, the Computer Department of Navsahyadri Group of Institutions organized a “**Exel Workshop**” Our guest is M.P.Pujari.

- Key Topics Covered:

Excel is a spreadsheet program from Microsoft and a component of its Office product group for business applications. Microsoft Excel enables users to format, organize and calculate data in a spreadsheet.

By organizing data using software like Excel, data analysts and other users can make information easier to view as data is added or changed. Excel contains a large number of boxes called cells that are ordered in rows and columns. Data is placed in these cells.

Excel is a part of the Microsoft Office and [Office 365 suites](#) and is compatible with other applications in the Office suite. The spreadsheet software is available for Windows, macOS, Android and iOS platforms.

In this workshop we covered all introductory part of Exel

Department of Electrical Engineering

## ACTIVITY REPORT

1. **Title of Activity:** Yoga Activity

2. **Date & venue:** 21/06/2022, NESGI Campus.

3. **Number of Students Participated:**

4. **Outcomes of activity:**

- 1) **Health and Well-being:** Yoga is known for its positive impact on physical health. It helps improve flexibility, strength, balance, and overall fitness. Yoga also promotes relaxation and stress reduction, which can lead to better mental health
- 2) **Stress Reduction:** Yoga offers techniques and practices that help individuals manage stress and anxiety. Regular yoga practice can lead to a more relaxed and calm state of mind
- 3) **Community Engagement:** Yoga Day often involves community events, workshops, and classes that bring people together to practice yoga. This fosters a sense of community and encourages people to connect with others who share similar interests
- 4) **Cultural Exchange:** Yoga is deeply rooted in Indian culture, and Yoga Day provides an opportunity to showcase and celebrate this cultural heritage. It allows for cultural exchange as people from different backgrounds come together to practice yoga
- 5) **Global Participation:** Yoga Day is celebrated worldwide, with people from various countries and cultures participating in yoga-related activities. This global participation helps promote unity and understanding among diverse communities
- 6) **Public Health Promotion:** Yoga has been recognized as a way to promote public health. It encourages people to lead a healthier lifestyle, which can help prevent various lifestyle-related diseases.
- 7) **Education:** Yoga Day activities often include educational programs and workshops to teach people about the philosophy and principles of yoga, as well as different yoga practices and techniques.
- 8) **Mind-Body Connection:** Yoga emphasizes the connection between the mind and body. Through mindfulness and meditation practices, individuals can develop a deeper awareness of their thoughts and emotions, leading to improved mental clarity and emotional well-being.

5. **Description of activity:**

The Electrical Engineering Department of NESGOI has decided to take part in Yoga day and arranged the drive at NESGOI College on 21st Jun. 2022. Our respected Principal Dr. R. J. Patil was present and actively participated in the activity to motivate students.

The teaching staff also took part in the activity with the students. The students have learned the various types of yoga. They also experienced the importance of team work through this activity.

The student volunteers & other Department Volunteers also took part in this social activity. The activity started at 09:30AM.

The event was begun with the welcoming of Principal. Welcome speech has been given by the Coordinator. Then the Principal advice to volunteers to think differently for the Society to make positive changes and to make improvement. The Principal orients the Electrical students by notifying the importance of society. He shared his past experiences with volunteers.

## 6. Summary & conclusion

International Day of Yoga, celebrated on June 21st each year, serves as a global platform to promote the practice and benefits of yoga. In summary, this day fosters awareness about yoga's physical, mental, and spiritual advantages, encourages healthier lifestyles, and celebrates cultural diversity. Key outcomes and conclusions of Yoga Day include:

**Promotion of Yoga:** The primary goal is to promote yoga as a holistic approach to health and well-being. **Physical Health:** Yoga enhances physical fitness by improving flexibility, strength, and balance. It also aids in preventing lifestyle-related diseases.

**Mental Health:** Yoga provides tools for stress reduction, relaxation, and improved mental clarity, benefiting overall mental health.

**Community Engagement:** Yoga Day brings people together, fostering a sense of community and unity among participants.

**Global Participation:** This day is celebrated worldwide, promoting cross-cultural understanding and unity through yoga.

**Cultural Exchange:** It offers a platform to showcase and celebrate Indian culture and heritage, as yoga is deeply rooted in it.

**Mind-Body Connection:** Yoga emphasizes the connection between the mind and body, promoting mindfulness and emotional well-being.

## 7. Feedback

People might provide feedback on the quality of yoga instruction, emphasizing the importance of knowledgeable and experienced teachers. It's important to remember that feedback on Yoga Day can vary widely based on individual experiences and perspectives. Overall, the day serves as an opportunity to promote yoga's benefits, encourage healthier lifestyles, and celebrate cultural diversity, but it may also highlight areas for improvement and consideration, such as inclusivity and environmental sustainability.
