POLICY DOCUMENT ON ENVIRONMENT AND ENERGY USAGE.

Policy for Green Campus/ Energy/Waste/Water management and conservation.

The NGI is committed to sustainable development in all its endeavors. Within its scope, the program aims to enhance energy conservation and utilization by promoting socially responsible practices.

Policy Statement:

The primary goal of NGI's Environment and Energy Usage Policy is to manage energy systematically to minimize its environmental impact. This policy is mandatory for all parts of the institution and applies to all stakeholders and activities within the organization.

NGI is committed to creating a clean and green campus by promoting sustainable and eco-friendly practices both on campus and beyond. The institution focuses on responsible waste management, water conservation, and exploring renewable energy resources as alternatives to address the energy crisis. By integrating these practices into daily operations, NGI aims to enhance efficiency and environmental awareness, reinforcing its commitment to conserving natural resources and reducing their usage. The environment and energy policy will guide these efforts, helping to embed sustainability into everyday activities and uphold our dedication to resource conservation.

Objectives:

- To increase awareness about environmental issues.
- To understand individual responsibilities in energy conservation.
- To implement effective waste management procedures.
- To minimize waste production across all campus activities and programs.
- To initiate and promote water management and conservation practices.
- To encourage and adopt green practices both on campus and in the broader community.
- To maintain cleanliness and sanitation throughout the campus.
- To provide a pollution-free, healthy environment for all.

Plan of implementation/ Practices

NGI is dedicated to sustainable development in all its efforts. To this end, the following areas will be prioritized for streamlining practices and procedures for environmental and energy conservation:

- A. Energy conservation and management.
- B. Waste management -Solid, Liquid & E-Waste Management
- C. Water Conservation and Management.
- D. Clean & Green Campus.
- E. Paperless operating procedures.
- F. Ban on single-use plastics on the Campus.
- G. Taking up awareness initiatives and environment-centric activities.

A. Energy conservation and management.

- Install and use LED bulbs throughout the campus to conserve energy.
- Invest in energy-efficient equipment to reduce power consumption.
- Raise awareness about the impact of small actions by displaying "Save Energy" labels and posters in various campus locations.
- Encourage the use of natural lighting and ventilation whenever feasible.
- Implement ongoing measures to continuously enhance energy consumption practices.
- Ensure the availability of necessary resources to support and achieve our conservation goals.

B. Waste management -Solid, Liquid & E-Waste Management

- Implement two-way waste segregation at source across the campus.
- Adopt the 4 R's: Reduce, Reuse, Recycle, and Refuse whenever possible.
- Minimize waste production throughout campus activities.
- Install and use sanitary napkin incinerators and disposal machines to manage waste effectively.
- Follow eco-friendly practices in daily operations and programs.
- Opt for bags made from eco-friendly materials.
- Use eco-friendly items and materials for packaging, decorations, gifts, and mementos during events and programs.

- Engage in recycling and upcycling activities to make the best out of waste.
- Encourage a paperless environment by promoting technology-based teaching and administrative practices.
- Develop and maintain a systematic waste management mechanism for effective waste handling and disposal.

C. Water Conservation and Management.

- Utilize rainwater recharge pits for effective water conservation and management.
- Conduct regular repairs and maintenance of leaks in taps and pipes.
- Plant indigenous and low-water-demanding plants throughout the campus.
- Raise awareness about water conservation by displaying "Save Water" labels and posters in various campus locations.
- Organize water conservation activities to educate faculty and students about the importance of water conservation.
- Replace sanitary fixtures with water-efficient faucets and nozzles to reduce water usage.

D. Clean & Green Campus.

- Enhance the campus landscape by improving the existing green cover with indigenous trees and plants.
- Conduct a tree plantation drive to increase green spaces and biodiversity.
- Establish a nature club to promote environmental awareness and activities.
- Reduce local air pollution by encouraging the use of eco-friendly transportation options such as bicycles, public transit, and pedestrian-friendly routes.
- Ensure cleanliness and sanitation are maintained consistently across the campus.

E. Paperless operating procedures.

- Transition to a paperless office by adopting e-office practices, including communication through emails and virtual platforms.
- Utilize digital storage solutions such as Google Drive for document management.
- Create subject-specific WhatsApp groups and Google Classrooms for effective communication and sharing of course content.
- Establish and maintain college social media handles on platforms like Instagram and

YouTube, College Duniya, Shiksha Portal, IIT Spoken Tutorial, Inter Shala, London Business School.

- Develop and maintain a fully functional college website to support online presence and information dissemination.

F. Ban on single-use plastics on the Campus.

- Aim for a plastic-free campus by banning single-use plastics on the premises.
- Conduct sensitization programs to educate about the harmful effects of single-use plastics.
- Adopt the 4 R's: Reduce, Reuse, Recycle, and Refuse wherever possible.
- Implement eco-friendly practices in daily activities and events.
- Choose bags made from eco-friendly materials.
- Prefer eco-friendly items and materials for packaging, decorations, gifts, and mementos during various events and programs.

G. Taking up awareness initiatives and environment-centric activities.

- Students are encouraged to undertake various awareness-raising activities and projects in their Internship as part of their assignments.
- Provide opportunities for employees and students to participate in initiatives that contribute to environmental protection and sustainability.

Conclusion:

The strategies and procedures outlined above may be adjusted based on evolving needs and circumstances. This policy will be communicated to all students, staff, and employees of the college. All stakeholders are expected to adhere to the policy to help ensure the campus remains green, clean, and eco-friendly.
